

**THOMAS FEARNLEY**

(Fredrikshald, 1802 - Munich, 1842)

*Goose in profile*

oil on paper  
86 x 103 mm

Taken from an album assembled by the artist's grandson, this study of a goose in profile is one of three studies that correspond closely to pencil sketches of geese drawn by the artist in a sketchbook dated 1829, held at the National Gallery of Norway.
