

GUSTAF FJÆSTAD

(Stockholm, 1868 - Arvika, 1948)

A Rocky shore, Full Moon

authenticated by Bo Fjæstad (1903-1991), the artist's son, on the reverse

signed with initials (lower left)

black chalk

317 x 214 mm

The subject is probably taken from Lake Racken in the province of Värmland where Fjæstad settled in 1902. Drawings by Fjæstad are extremely rare since he usually painted his pictures plein air or on basis of photographs.
